crime and criminal justice third edition provides accessible and comprehensive coverage of all aspects of the criminal justice system as well as innovative chapters on victims and criminal justice policy utilizing a format that is designed to increase student engagement and critical thinking each chapter is followed by two current controversy debates that dive into a critical issue in criminal justice they challenge misconceptions and provide a balanced debate of both the pros and cons of each issue followed by probing questions to help students wrestle with these timely topics with contemporary examples that students can easily apply and a broad range of effective learning tools they can utilize authors stacy l mallicoate and denise paquette boots guide students beyond the surface towards a deeper understanding of the criminal justice system

several encyclopedias overview the contemporary system of criminal justice in america but full understanding of current social problems and contemporary strategies to deal with them can come only with clear appreciation of the historical underpinnings of those problems thus this five volume work surveys the history and philosophy of crime punishment and criminal justice institutions in america from colonial times to the present it covers the whole of the criminal justice system from crimes law enforcement and policing to courts corrections and human services among other things this encyclopedia explicates philosophical foundations underpinning our system of justice charts changing patterns in criminal activity and subsequent effects on legal responses identifies major periods in the development of our system of criminal justice and explores in the first four volumes supplemented by a fifth volume containing annotated primary documents evolving debates and conflicts on how best to address issues of crime and punishment its signed entries in the first four volumes supplemented by a fifth volume containing annotated primary documents provide the historical context for students to better understand contemporary criminological debates and the contemporary shape of the u s system of law and justice

in this wide ranging analysis michael tonry argues that those responsible for crafting

american criminal justice policy have lost their way in a forest of good intentions political cynicism and public anxieties american crime control politics over time have created a punishment system no one would knowingly have chosen yet one that no one seems able to change prevailing sensibilities rather than timeless truths govern the american war on crime resulting in policies both wasteful and harsh u s crime trends closely resemble those of other nations yet american policies shaped by different sensibilities are much more punitive seamlessly blending history with an easy presentation of day to day realities and empirical evidence tonry proposes tangible specific solutions that can serve as a platform for criminal justice reform we know how to create an effective and humane criminal justice system now we must have the courage to do so by abandoning the current status quo which is both costly and cruel in favor of practices that will move america closer to the mainstream of contemporary western values

from the outbreak of the cold war to the rise of the united states as the last remaining superpower the years following world war ii were filled with momentous events and rapid change diplomatically economically politically and culturally the united states became a major influence around the globe on the domestic front this period witnessed some of the most turbulent and prosperous years in american history postwar america an encyclopedia of social political cultural and economic history provides detailed coverage of all the remarkable developments within the united states during this period as well as their dramatic impact on the rest of the world a z entries address specific persons groups concepts events geographical locations organizations and cultural and technological phenomena sidebars highlight primary source materials items of special interest statistical data and other information and cultural landmark entries chronologically detail the music literature arts and cultural history of the era bibliographies covering literature from the postwar era and about the era are also included as are illustrations and specialized indexes

wide ranging and accessible this is the most up to date textbook in this area taking current economic research and making it accessible to undergraduates and other interested readers

analyzes the problematic trends facing america s cities and older suburbs and challenges us to put america s urban crisis back on the national agenda

focuses on the social and moral issues surrounding crime prisons and jails
